

AQUALUMINATOR®

LIGHT & WATER RETURN FOR ABOVEGROUND POOLS

ADD BRILLIANT UNDERWATER ILLUMINATION IN JUST MINUTES

There's no easier or safer way to illuminate your pool than with the Pentair® AquaLuminator light and water return. It installs in minutes into your pool's existing water return hole to brilliantly illuminate water and make evening swims a more beautiful and satisfying experience. The water return and light fixture are combined in a single, integrated and highly efficient unit. There's no need to cut new holes and risk violating your pool manufacturer's warranty. You'll wonder why you waited so long to add the entrancing glow of underwater lighting to your pool.

- Advanced, hydro-optic technology produces more light with less energy than others—you light your entire pool affordably.
- The energy-efficient halogen quartz light has a rated life of 4,000 hours to deliver maximum value.
- No expensive wiring is required. Just plug into a normal outlet.
- Comes with two color lenses to create just the right mood for your evening swims.
- Adding the AquaLuminator light and water return to your pool is truly "plug 'n play". You get the brilliance of underwater lighting in just minutes, for lasting pool beauty and enjoyment.

AQUALUMINATOR®

LIGHT & WATER RETURN FOR ABOVEGROUND POOLS
